Dear Students, Parents and Teachers,

Warm greetings from IIS Majma'ah!

The Education Wing, Embassy of India, Riyadh, has brought to our notice **"BharatVerse"**, an AI-enabled digital gaming platform launched by the **Ministry of External Affairs, Government of India**.

BharatVerse aims to build awareness and appreciation of India's rich heritage, vibrant culture, history, achievements and contemporary developments, while strengthening India's global outreach.

The platform is a revamped version of the Bharat Ko Janiye (BKJ) Quiz and is now available as **"BharatVerse"** on both the **Apple App Store** and **Google Play Store**. It can also be accessed through its official website:

Website: www.bkjquiz.com

The brochure with further details about the platform is attached for your reference.

All students, parents and staff members are encouraged to explore this initiative and take an active part in spreading awareness of India's cultural heritage and national achievements. We request you to make the most of this engaging learning opportunity and to encourage your families to join in as well.

"Discover the Spirit of India. Celebrate Its Heritage. Experience the Pride of Our Nation!"
